Pictured above is Mr. Bruce Mills, an Ontario artist, shown presenting his own painting "October Movement" which he donated to the new Haliburton Red Cross Hospital. The presentation was made to Mrs. Elizabeth Carroll, President of the local Red Cross Branch. Looking on is Creighton Feir, Business Manager of the Haliburton County Echo, and Mrs. Marlene Bennett, Head Nurse at the hospital. Mr. Mills, who is a Haliburton resident, is an outstanding artist whose endeavours are known throughout Ontario, and his donation was most appreciated by the Red Cross Society.

Snowmobile Club Holds First Meet Of Season

The snow came just in time to spark snowmobile fever and to bring members of the Donald Windigos Club together for their first fun day of the 1972-73 season. The members and guests gathered in the Donald Recreation Centre (the former Public School) on Sunday afternoon, November 26, to discuss club projects, to view several fine films, and to partake of a delicious hot meal of beef stew and tea biscuits topped off with a wide variety of pies.

The main topic of discussion was how to improve club activities and increase member participation. Past experiences were reviewed and new ideas put forward. This season will see a greater emphasis on cook-outs and other outings for the whole family. The club will again host the Saturday safari for the Haliburton Winter Carnival. This

trip last year was the highlight of the season. There will also be more emphasis on the social aspect of the club.

A resolution was approved to prepare a Brief to the Select Committee on Snowmobiling to be presented when that Committee visits Haliburton early in January. It is hoped that all snowmobile clubs and organizations interested in the snowmobile industry will avail themselves of this opportunity to be heard.

The club's executive expresses their deep appreciation to Lloyd Coneybeare and Arctic Enterprises for the excellent safety film and informational films shown; to Cora Pasquino, Rosa Pringle and Jean Bates who prepared the dinner; and to all who helped to make the party a real success.

Provincial Grant For Minden Park

The Honourable Leo Bernier, Minister of Natural Resources, and Mr. R. Glen Hodgson, M.P.P. for Victoria-Haliburton, announce the approval of a provincial grant of \$12,500.00 to the Corporation of the Townships of Anson, Hindon and Minden for capital development work in Minden Approved Park.

The site comprises some 87 acres of land north of the Gull River and adjacent to the town plot of Minden.

The Authority is proposing to install a waterline into the park area, construct an entrance road, and also to construct a washroom and septic system.

This grant is made available under The Parks Assistance Act and the municipality will contribute an amount equal to the grant.

Martin Lumber Donates \$10,000.00

G. W. Martin Lumber Limited of Harcourt who have been very community minded in that area have shown that spirit again when they made a donation of \$10,000.00 for use by the Harcourt Recreation Committee to add playground and recreation equipment, help in promoting hockey for all children of that area, and for any other projects for the children of the community.

Stanhope Draws 50 To Meet Candidates

Just a handful of people turned up for the "Meet the Candidates" Night in Haliburton last week while only 50 were out in the City of Peterborough, but in Stanhope Township where the election fever is running high there was well over 50 people out for their "Meet the Candidates" Night held last Saturday night.

Wins Legion Bingo \$500.00 Jackpot

The Jackpot of \$500.00 at the Royal Canadian Legion Bingo in Haliburton went to Rose Anne Bruneau of Gooderham as she won it within the 58 numbers that were to be called. A new series will now get underway next Wednesday, December 6, with 45 numbers to be called for the Jackpot.

Mrs. Ev Perrin of Haliburton was the winner of the door prize at the Bingo on Wednesday night.

Harcourt Ratepayer's Assoc. Meeting Is Largely Attended

On Monday, November 20, the Harcourt Ratepayers Association held one of their most successful meetings, breaking all previous attendance records.

With the resignation of Faye Martin as Secretary and Waulze Gerow as Chairman of the Ratepayers Association, Nancy O'Neil was nominated to be the new Secretary and Murray Scott will be the new Chairman. To fill the two openings left by the resignations of Barry Martin and Al Bell, nominated for a two-year term to the Hall Board were Steve Burrows and Ron Tare. The three openings on the Recreation Committee will be filled by Miriam Lewis, Kay Burrows and Peter MacEachern.

Reports to the Association were made by the following committees:

Recreation, by Nancy O'Neil - aim is to do things for the young people of our community - started Teen Dances in February which were very successful, two busloads of children taken to a hockey game in Peterborough and this year the children will be transported to local games. G. W. Martin Lumber donated money and a playground with equipment was established, organized ball teams, tentative ice rink to be built, will look after the operating cost of the lights in the ball park, and hope to expand the playground.

Ladies, by Donna Burroughs - weekly euchre games, bingo games, suppers, Harcourt Fun Fair (fish pond, bingo and supper), Christmas Concert; purchased dishes, flatware, kitchen flooring, stacking chairs, three large tables, and had the ceiling and outside of the hall painted and started outside landscaping; and require new card tables and a coffee pot.

Hall Board, by Barry Martin - aim to utilize hall for community - 15 public dances, six private dances, August Fun Fair community effort, expansion left to new committee, formed a committee to plan "Harcourt Snow Fest", courses offered by Loyalist

College will be held in the hall if we can register six for any one course.

Two new street lights are to be installed in Harcourt, one in front of Al Bell's residence and one at the new approach of the Old Harcourt Road and Highway 648.

The Council of the Municipality of Dysart et al was asked to look into having more road signs erected directing people to Harcourt.

Dysart et al Reeve Roy Brohm reported that only lot clearing and accesses to lakes would be accepted for this year's Winter Works Program. The following public landings are to be recommended for clearing: Benoir Lake (upon approval and completion of the bridge), Big Farquhar Lake, and Fishtail Lake.

There was considerable discussion regarding the poor condition and lack of maintenance on the Elephant Lake Road. To assure us that the Elephant Lake Road be sanded before the school buses start their runs, it was suggested that we need a snowplow and sand truck located in Harcourt as valuable time is wasted by bringing this equipment all the way from Haliburton. It was passed unanimously that we send a delegation (with a letter in advance) to meet with the Haliburton County Council on the third Wednesday in December regarding extra maintenance and equipment for the Elephant Lake Road over and above what our municipality is now supplying.

"Meet the Candidates" speeches were then heard from the following: Reeve Roy Brohm - put in office by acclamation; Deputy Reeve Murray Fearrey - put in office by acclamation; Councillor in Ward II - Nancy O'Neil and incumbent Lloyd Coneybeare; and there are five seeking the four seats as Board of Education Trustee - Dennis Waymouth, Dorothy Way, Len Salvatori, Rick Poole and Ed Fujar. Be sure to vote on Monday, December 4.

Refreshments were then enjoyed by all present.

Evangelical Fellowship Of Canada Hold Successful Banquet At Haliburton

On Tuesday evening the Haliburton Chapter of the Evangelical Fellowship of Canada held a banquet at the Royal Canadian Legion Hall in Haliburton, where 109 people sat down to a dinner served by the ladies of the Ladies Auxiliary of the Legion.

The President, Mr. Charles Hughes, welcomed everyone and then explained what the Evangelical Fellowship of Canada was and the beliefs. He then introduced the guest speaker, who was Dr. Sisel, a United Church minister from Dorset.

Dr. Sisel proved a very powerful and challenging speaker. He spoke on how evangelicals can communicate the gospel. "Man talks on how we are going to solve our own problems, but some problems will always be with us. Some of them being: emptiness, loneliness, guilt and death. Sociologists say there are no answers - you can just keep asking questions and moving in the direction of answers, BUT Jesus Christ IS the answer. The situation today is the same as in the time of Jesus. We must preach the gospel in simplicity, depend-

ing on God, not man. We must live in sincerity, compassion and love for one another."

Mr. Sharpless, the Vice President, thanked the speaker, and he said thanks was all he could say.

Reverend L. Schmidt of Minden closed the meeting with prayer.

Area Student Receives Award

A Minden area student is one of 48 recipients of Waterloo Lutheran University Faculty - Board Scholarships awarded to students who entered the university after receiving an 80 per cent average in Grade 13. Jack Andre Stuempel of R.R. 1, Minden, will receive the scholarship during formal presentation of entrance, under-graduate and graduate awards at the university.

The scholarship has an annual value of \$400.

Mr. Stuempel was a student at the Haliburton Highlands Secondary School here in Haliburton.

HALIBURTON NEWS LETTER

Mr. Paul Chevrier, teacher at the Archie Stouffer School in Minden, was the guest speaker at the Rotary Club meeting held in Haliburton last Thursday. He gave a very informative talk and showed slides on parts of England where he taught for two years.

The Haliburton Rotary Club members were busy on Saturday last cutting some 300 Christmas trees for sale in Haliburton. These lovely trees are being sold from many of the business places here in this community.

Twenty-five members of the Brotherhood of Anglican Churchmen were on hand at St. George's Anglican Church in Haliburton on Sunday morning to listen to an address delivered by Reverend Sid West, who is in charge of Correctional Services for the Anglican Diocese of Toronto.

Haliburton had its first heavy snowfall of the winter season over the weekend, but the Department of Transportation and Communications along with the Municipality of Dysart et al did their usual good job of keeping the streets and roads cleared of the snow and ice.

Hugh Alton and his men were busy this week moving the present Mister Frostee building from its location next to the Canadian Imperial Bank of Commerce here to Minden.

Work still continues on the addition to Black's "PRO" Hard-

ware Store in Haliburton. The basement is in and the framework is up and sheeted in - now the work commences on the interior.

This coming Saturday night, December 2, the Legion Auditorium in Haliburton will be the scene of the St. Andrew's Ball. Music will be supplied by The Country Rovers, with dancing from 9:00 p.m. till 1:00 a.m. Come and wear your, or any, tartan. Proceeds are for the Haliburton Legion Pipe Band. Admission is \$5.00 per couple, with advance tickets now on sale.

Orillia Man Drinks Anti-Freeze Instead Of Water

Paul Stanley Howes of Johns Street, Orillia, was taken to the Ross Memorial Hospital in Lindsay last Wednesday, November 22, after drinking what he thought was water, but what turned out to be gas line anti-freeze.

Mr. Howes was working at a construction site near Minden for Shamrock Drillers. He drank about a half-cup of the gas line anti-freeze before he realized that it was not water. He immediately drank a cup of coffee which caused him to vomit.

Mr. Howes was then taken to the Ross Memorial Hospital, and he was later reported to be in good condition.

Results Of Games

The rampaging Bantams from Haliburton continued with their dominance in their league last week with two more shutouts. They travelled to Fenelon Falls on Wednesday and whipped the hometowners 14-0. Scoring for Haliburton were Dave Kilby who had the hat-trick along with five assists, John Welburn, Chris Rouble and Tim Bain getting two each, while singles went to Wade Stamp, Steve Farnsworth, Joe Roberts and Dave Pettes. The local Bantams continued their whitewash hockey with an 11-0 drubbing of Cobocok in Haliburton on Friday evening. Tim Bain led the winners with a three-goal performance as Chris Rouble and Wade Stamp had two apiece, with singles going to Derwin Barry, Steve Fransworth, Dan Curry and John Welburn. The double wins moved Haliburton into a first place tie with Bobcaygeon. The Caygeon team downed the Minden Bantams quite easily on Saturday in Bobcaygeon by a 10-0 score.

The Haliburton Midgets lost their opening game of the season at home against Bobcaygeon by a 3-2 outcome. I have no scoring on this game.

Fenelon Falls Pee Wees con-

tinued to roll along in first place with identical wins last week of 6-4 over the Haliburton and Minden entries.

The Minden Novices downed the Haliburton Novices 4-2 last Friday evening and then took the Bobcaygeon club 4-1 in Bobcaygeon on Saturday to move into sole possession of first place. Handling the Haliburton scoring were Madden and Lee, and counting for Minden were Ronnie Yake, Brent Moxam and Mark Greir who had two.

Men's Commercial
Bowling League

The Haliburton County Men's Commercial Bowling League commenced once again last Wednesday evening after a two-week lay-off for the hunting season. The Rockcliffe Beer Nuts didn't seem to be bothered by the absence as they took all seven points from Cox's Colts. Modern Electric and Ingoldsby each took five points from their opposition, Haliburton Highballers and Miles Roadrunners.

Standings to date are: Haliburton Highballers 45 points, Rockcliffe Beer Nuts 42, Modern Electric 39, Cox's Colts 30, Ingoldsby 27 and Miles Roadrunners 22.

Haliburton Huskies Remain Unbeaten
After Four Games Of Junior 'D' Hockey

After four games the local Haliburton Huskies still remain unbeaten in the Central Ontario Junior 'D' Hockey League.

The Huskies team this year is a well balanced club and they should go a long way when play-off time comes. Every player on the team has made points — Roger Bain has two hat-tricks, Floyd Henry has five goals, Rick Wood and Larry Robinson each have four goals, while Tim Curry leads the squad in points with three goals and eight assists. The defencemen have shown up really well as they have all scored one or more goals plus several assists. All this adds up to a team with very strong scoring ability. Both Dennis Good and Louis O'Hara are to be commended on their goaltending as they have allowed only five goals by, and the club has scored 31. Rookie O'Hara received his first shut-out on Saturday last when they played against Woodville, whitewashing them to the tune of 7-0.

The Haliburton club is still waiting for approval from the Ontario Hockey Association to play Rick Hartwick who has been forced to sit out the first four games. Other players will be joining the club in the near future to add more depth, as only 16 players have been signed to date. With defencemen Carroll and LaPorte away and Dunsford on the injury list, the team found themselves very short-handed on Saturday night last.

This Friday night the Huskies will travel to Bancroft to face

the last year's All-Ontario Finalists. On Saturday they will be at home when they will put their first place position on the line against Lakefield.

Home games have been fairly well attended, but the team is hoping for an all out crowd on Saturday night when they meet Lakefield. Try and make it a definite date to be at the Haliburton Arena on Saturday night, December 2, and cheer the boys on to another victory.

An open Letter to the Electors
of Anson, Hindon and Minden

WE, A COMMITTEE FOR GOOD GOVERNMENT, FEEL STRONGLY THAT THE ELECTION ON MONDAY, DECEMBER 4TH, IS THE TIME FOR US TO VOTE AND BE COUNTED.

MANY TIMES IN THE PAST, LACK OF INTEREST HAS RESULTED IN ACCLAMATIONS FOR SOME OFFICES AND SOMETIMES FOR ALL OF THEM. WE ALL HAVE A CHANCE TO EXAMINE THE ATTENDANCE AND VOTING RECORD OF THOSE WHO HAVE CONTROLLED OUR MUNICIPAL GOVERNMENT AND REJECT THE CANDIDATES WHO HAVE NOT DESERVED OUR VOTE AND ELECT THE CANDIDATES OF OUR CHOICE. PRE-ELECTION PROMISES ARE EASILY GIVEN — PERFORMANCE IS WHAT COUNTS. THIS COMMITTEE HAS NO DESIRE TO INFLUENCE THE VOTE FOR ANY PARTICULAR CANDIDATE. WE DO, HOWEVER, URGE EVERY VOTER TO THINK SERIOUSLY ABOUT WHAT THE FUTURE OF OUR MUNICIPALITY WILL BE UNDER THE GUIDANCE OF THOSE WE CHOOSE TO ELECT.

HAVING IN MIND ALL OF THE FORECASTS ABOUT THE PROBABILITY OF OUR TOWNSHIPS "BEING SWALLOWED UP" IN A NEW REGIONAL GOVERNMENT, THIS MAY BE OUR LAST CHANCE TO CAST A BALLOT FOR TRULY LOCAL GOVERNMENT. THINK FOR A FEW MINUTES WHAT IT WOULD BE LIKE TO BE ADMINISTERED BY A REGIONAL COUNCIL, MEETING, SAY IN BELLEVILLE OR PETERBOROUGH!

WE WOULD ALSO REMIND THE YOUNG PEOPLE, 18 AND OVER, THAT HOW THEY VOTE COULD GREATLY AFFECT THEIR FUTURE.

FINALLY, WE URGE ALL VOTERS TO JOIN US IN THINKING, TALKING TO OUR FRIENDS AND NEIGHBOURS, DECIDING WHO TO VOTE FOR, AND VOTING REGARDLESS OF GOOD OR BAD WEATHER. AS IN FEDERAL AND PROVINCIAL ELECTIONS, OUR MUNICIPAL VOTE IS A PRECIOUS POSSESSION — NO ONE CAN TAKE IT FROM US, NOR CALL US TO ACCOUNT FOR HOW WE USE IT. LET US HAVE NO MORE OF THOSE 38% VOTES, LET US MAKE IT AT LEAST 80% AND THEN THE ADMINISTRATION WE GET WILL BE WHAT WE DESERVE.

VERY SINCERELY,

George Finley

SQUIRRELS, RATS AND CATS — HUMBUG!

Squirrels in the attic and a cat at the door. Winter is on its way.

Yep, the squirrels, after about five years of exile, have managed to chew their way back into the attic, and are happily holding their regular family quarrels, wakes, weddings, bowling games and foot-races right overhead.

There probably aren't more than three or four hundred of them, to judge from the commotion.

And I'm helpless. Once they get in, you might as well wait until spring, when they emerge and you can whack up some tin patches over their entries.

I like to have black squirrels around the place, but not in the place. They're cute and picturesque hopping about on the lawn, picking up acorns in their dainty mitts and swivelling their little bright, beady eyes about as they chew.

But when you can't see them, and all you can do is hear, they're not so cute. The only picture of them I have in winter is of a couple of young buck squirrels gnawing away on the insulation covering my wiring, and chatting: "Hey, Jack, this is better than that hole in the oak we lived in last winter. Right?"

"Right, George. It was kinda crowded with the eighty-four of us. And no central heating except our own. And down to an acorn a day by February. This is great. Lots of room for jogging to keep in shape. Lots of heat. And — mmmmm — I love that electrician's tape."

They remind me of a rat who took over nocturnally in our room in prison camp barracks in the winter of '44-45.

One single, lousy rat had eighteen grown men in a state of nightly alarms and excursions.

At first, he'd wake somebody up with his gnawing. It was a cross between the sound of a chain saw and that of a snowmobile.

It was a welcome diversion, in the beginning. Sort of company, as though somebody cared. We named him Packy and talked about him rather fondly. For a while.

But then the nerves started to wear thin. There's something nerve-racking about a huge rat chomping away right in your ear, as it seemed.

It got to the point where nobody could go to sleep. We'd lie there, nerves strumming, waiting for Packy's evening performance to begin, each of us clutching a weapon, a boot or a bedboard.

The little devil seemed to know that he had us right where he wanted us. One night he'd start right after lights-out, and suddenly stop, just when we thought

we'd located him.

Next night, he'd lie there chuckling — and we'd have sworn we could hear the chuckle — keeping us in suspense until it was almost unbearable. Then he'd give a couple of zooms. And stop.

In a few minutes he'd start again, gnawing steadily and contemptuously. At last, somebody's nerves would break, there'd be the flare of a match and eighteen of us would leap out of our bunks, flailing at the spot we were sure he was in.

He never was, and it's a wonder somebody wasn't killed in the confusion. Because we all had a different spot.

Well, that's enough about squirrels and rats. But I know exactly why people use the term "squirrelly" as a synonym for being a bit mental.

The other manifestation of winter horrors I mentioned was our cat. In summer, she's lean and tawny, a tigress prowling her domain, stalking bumblebees and butterflies and birds. And she's outside, day and night. A lovely cat.

As soon as the first wind comes out of the north, she turns into Mr. Hyde. She hangs on the screen door, howling pitifully. She has ruined three screen doors.

Does she want love, affection, admiration? No. She wants in. And once in, she wants grub. I have never kicked an animal, but when that pig of a cat lurches in like a hyena scenting a fresh kill and starts rubbing against my legs when I'm trying to rattle up some breakfast for myself, there's a grave temptation to turf her right into the kitchen sink. She's an unlovely cat. Fat and demanding, like some wives. And she thinks I'm her husband.

Apparently my unlovely affair with cats has been mentioned before, because I have here a letter to the Listowel Banner from Rita Dodkin, 11. I'll quote parts.

"Cats are very useful in many different ways than 'putting them on a calendar'. They provide lots of company for old and lonely people who cannot have dogs because they can't give them the right exercise. They pamper and pet their cats because they enjoy it."

"I think this is far from turning them into 'bloated, contemptuous parasites' as Mr. Smiley said. They look so sweet when they sleep on your best chair. When they rub your legs I think they are trying to show love. Our cats always tried to show love. I used to have one but now I'm getting one next spring."

Rita, you might get one long before next spring.

Obituary

JAMES R. MORGAN

James Richard (Archie) Henry Morgan, 65, former Superintendent of Toronto secondary schools, died last Wednesday, November 22, 1972, of a heart attack.

He was Superintendent from 1949 to 1963, when he was appointed Director of the Ontario Curriculum Institute, now known as the Ontario Institute for Studies in Education.

He was critical of the education system, saying there had been no attempt made to determine what students were being educated for. Teachers, he claimed, were "dragging their feet" rather than accepting changes in teaching techniques.

Morgan, born in Brampton, began his teaching career in 1925 at the Brantford Indian Reservation. A year later, in 1926, he became Principal of the Public School in Sunderland. From 1930-34, he taught at Toronto's Earlscourt and Huron Public Schools and from 1934-36 at the North Toronto Collegiate.

In 1936-37, he was at the Sorbonne University in Paris on a scholarship granted by the Ontario Department of Education. He returned to North Toronto before enlisting in 1941 in the Queen's Own Rifles and was in action in Africa, Italy and Europe. He was made a member of the Order of the British Empire and left the army as a major.

Returning to Toronto, he was appointed Secondary Schools Inspector until 1949 when he became Superintendent.

In 1966, after three years with the Curriculum Institute, he was appointed Special Liaison Officer between the secondary schools and the University of Toronto. Since 1969 he was a consultant for the Canadian Junior College of Lausanne, Switzerland.

As a teacher, he was a specialist in French, Latin and Physical Education.

He leaves his wife Dorothy of King Street in Weston, daughter Mrs. Gail Wallace and son Jack.

The late Mr. Morgan, who was known as Archie to his many friends, was well known in the Haliburton area as he was a summer resident here for many years. He was very popular in the community and at various times he was called upon as a guest speaker at many local affairs. He was the guest speaker on two occasions at the annual Commencement Exercises held at the Haliburton Highlands Secondary School and he was one of the main speakers when the Rotary District 701 Conference was held at Chateau Woodland here two years ago. The late Mr. Morgan was always a most welcome guest at the Rotary Club meetings in Haliburton, having given speeches on several different occasions. For the past two years he had acted as the Judge at the Court held annually at the Rotary Club meeting.

Archie Morgan is gone, and he will surely be missed.

The Fire Department has been very busy so far this year while answering 35 calls, spending 51½ hours at these, with eight of the members at each one. The Ambulance calls are more numerous with 228, miles travelled totalling 19,290 and approximately 1,356 hours spent on these trips. They are very quick to answer alarms, and we are really fortunate to have these capable men working for the community.

Marg and Len Lonsberry and Karen are away enjoying a short holiday in Florida.

Another lucky person at the Minden Rotary Bingo last Thursday was Hilda McCarey who won the Snowball of \$163.00 in 21 numbers called.

Residents at the Hyland Crest Senior Citizens' Home in Minden enjoying birthdays in November were all ladies again, namely Edith Allcorn, Gladys Dennis, Jane Fairfield, Pearl Elstone and Sarah Toson. Belated good wishes go to these ladies.

The Minden Womens' Institute had a very successful Card Party at the Parish Hall in Minden last Monday, November 20, with the winners being Cassie Legge for cribbage and Mary Little, Pat Clarke and Mary Cox (lone hand) for euchre. The prize drawn for was won by Pat Clarke. After the games everyone enjoyed a social half-hour and the delicious lunch served by the ladies.

The United Church Women had a fine turnout for their Luncheon, Bazaar and Tea last Friday, with the fresh home-made soup being very delicious, and the home baking and articles all in the attractive holiday setting.

At the weekly Card Party last Thursday afternoon at the Parish Hall the euchre winners were Phil Robinson and Nellie Graham while the cribbage winners were Fred Wright and Joyce Hewitt.

Mr. and Mrs. Harold Coulter and Trudy and David spent Sunday with Mr. and Mrs. Bill Callow and family of Huntsville.

This Friday, December 1, be sure and watch the Tommy Hunter Show on CBC-TV as there will be some film shots from the Kilmount Fair as this show was featured there.

There is a long slate of candidates for the Council of Anson, Hindon & Minden as the Reeve, Deputy Reeve, Councillor and Board of Education seats are all being contested in our election. There is to be a "Meet the Candidates" Night this Thursday, but there may not be too many show up as this meeting was chosen with the popular Bingo also being on that night.

As of this date, we still have no lights on in our town. I wonder what we will have to do to get some action — move to Wilberforce?

The second week of the hunt season was again quite successful for the Harcourt area. I was unable to obtain the names of the lucky hunters except for Ernest Patience, guest of Clinton Allain of Harcourt Park, who managed to bag a nice deer in the Park on closing day.

The following are some of the events scheduled: Ice Sculptures, Figure Skating Display, PeeWee Hockey Game, Kids' Games, Snowmobile Obstacle Course, Bean Supper, Broomball Game, Crowning of a Snow Queen, Moccasin Dance, and last but not least an evening Cupid's Caper. We hope the community will give this committee their fullest support to make this day a real success.

Some Harcourt and Wilberforce area women met at the Harcourt Community Centre to discuss a Physical Fitness Program. The program is to consist of discussions regarding nutrition plus an exercise period.

Curling has been receiving more interest than has often been the case in previous years.

This may be due partly to the increase of permanent residents who have recently moved into the area. The skills and training of many of these new residents should be of benefit to the community.

Most of the motorists had already changed their tires ahead of the first fall of snow, but there are still a few who may soon need those snow tires.

The ice on the lakes is thickening steadily and should soon delight those ardent snowmobilers, but it is still dangerous.

MUNICIPALITY OF DYSART ET AL - WARD 3

May I express my sincerest thanks to the ratepayers of Ward Three who have generously supported me during the five years I have served on the Council. I shall endeavour to be worthy of their vote of confidence which returned me by acclamation for 1973 and 1974.

Lawrence C. Morrison

TO THE ELECTORS OF WARD 2 Municipality of Dysart et al

My name is Nancy O'Neil. Together with my husband, I own and operate Ridgeview Restaurant at Elephant Lake Road one mile east of Harcourt.

I am standing for Council in Ward 2 because I believe the municipality as a whole is not properly represented without a Councillor from Harcourt. Our Ward stretches from the Minden border to the Hastings County border, with most of its people on each end of the Ward. The Haliburton side of the Ward has the Reeve and Deputy Reeve at hand and since Harcourt Township is growing so rapidly we feel it should be represented. Not only do we need a voice but most of all an ear on Council.

I am deeply interested in community affairs and have in the past done considerable work in this area, and I believe I can properly represent the people of these communities.

I ASK YOUR SUPPORT AT THE POLLS!

Minden W.I. Hold November Meeting

The Minden Women's Institute met at the home of Mrs. William Cox on Wednesday afternoon, November 15, with Mrs. P. Clarke presiding.

After the business had been dispensed with the President congratulated Mrs. Fairfield on her 94th birthday and presented her with a gift from this Branch.

The roll call "How can I prevent Pollution" was answered by any interesting and thoughtful ideas. This was followed by a paper on "Pollution and the Ontario Water Resources Commission", ably given by Mrs. W. Walker. This was a very enlightening and interesting paper, and we just wish we could let everyone read it, but it has been condensed down and we hope you will enjoy what we have been able to put in our report.

WATER POLLUTION AND THE ONTARIO WATER RESOURCES COMMISSION

Water is one of Ontario's most important natural resources and perhaps the one most taken for granted, but the Ontario Water Resources Commission knows better. The Commission was created in 1956 by the Government of Premier Leslie Frost. Since World War II our personal water consumption has doubled to the point where the average person uses over 60 gallons of water per day. The O.W.R.C. exists for two reasons: to see that every person in Ontario can get water and to make sure that the water he gets is safe to use.

The industrial and population boom brought demands for more water over the entire province, for when nature is upset she can be very stubborn about meeting man half way and will usually have the last word in an argument. The O.W.R.C. did its job well. Today there are few areas in the whole province that dump untreated sewage into the water source and all are under contract for a treatment system. One-and-a-half million water samples are tested in a year by O.W.R.C. and they are on the spot at small streams, lakes, sewage works, industrial plants, farms and rivers making reports. One of O.W.R.C.'s most frustrating jobs is industrial pollution control. At the start, or even as late as five or six years ago, industry laughed at O.W.R.C. but since 1969 the O.W.R.C. has been able to go after even the giants of industry in the province and if they won't co-operate charges can be laid and fines levied and bad publicity given them — this hurts! Now conservation and re-use of water is happening in Ontario as in no other province in Canada or states in the U.S.A. Thanks to the O.W.R.C.

The people who live in Ontario are the props needed to help the pollution programmes. What can you do to help? Write to your M.P.P. and tell him your concern about water pollution. Tell him that when he's fighting to control pollution you're on his side. After all, there is not much point in having a place to stand if you can't get a drink of water when you're standing there.

Mrs. William Moore gave the Friendship report in the absence of Mrs. D. Prentice, and a total of 25 cards were sent out last month. If anyone knows of any persons ill or in a hospital please let Mrs. Prentice know and a card will be sent.

Mrs. V. Cowan gave a very interesting report of the District Directors' Meeting held at Fenelon Falls. Mrs. W. Moore, who attended the Area Convention in Toronto as Minden's delegate, also gave a report - Reverend Gordon Hunter was guest speaker at the banquet, greetings from the City were brought by Alderman June Marks and other speakers proved very interesting, and the delegates were given many different ideas to bring back to their own branches.

The next meeting is the Christmas Party, and the Women's Institute invite all ladies who would like to meet with them to come. It will be held in the Minden United Church Hall on December 20, with further details to be given later.

The President then closed the meeting, and a very delicious lunch was served by the hostesses.

The latest extracurricular club to get underway at the Haliburton Highlands Secondary School is the Gourmet Cooking Club. This club will give some of the males in the school a chance to learn or to exhibit culinary talent. Bon appetit.

On Friday, November 17, eleven Grade 11 students, accompanied by Ms. Kuno and Sakata, visited Black Creek Pioneer Village as a part of their study of the family. The guide skillfully traced the development of family life in Ontario in the 1800's, starting with the Stong family who were the original settlers, following their establishment of a productive farm, and the growth of a new and prosperous community. The two-hour visit was followed by a trip to downtown Toronto and dinner at a Greek restaurant.

Congratulations to the Junior Girls' basketball team who took part in the Kawartha District Championship Finals.

EVERYONE can play and Hammond sustained tone makes it possible. As you press each key, the tone sounds until you release it. Simple one finger melodies sound remarkably good right from the beginning.

Features

Beautiful Swedish Walnut styling.

The VS series has two 44-note manuals, 13 pedals and an expression pedal. The simplicity and playing ease of the VS-100 give it universal appeal.

The VS-200 features 8 preset voices, vibrato, reverberation, manual balance and automatic rhythm.

VS-200 Preset Tab Voices and Automatic Rhythm

Upper Manual	Lower Manual	Pedals
String 8'	Tibia 8'	Bass 16'
Reed 8'	Cello 8'	Flute 8'
Flute 16'	Diapason 8'	Bass Accent
Flutes 8' and 4'		

The VS-200 rhythm section adds automatic non-stop rhythm to your playing. There are nine exciting patterns including bossa nova, slow rock, and waltz.

CARD of THANKS

I would like to take this opportunity to thank all my friends, neighbours and relatives for their kind get well wishes, cards and prayers, and also the Carnarvon Rangers for their beautiful plant; and Dr. Chapman, Dr. Belch, nurses and staff of Peterborough Hospital. Thank you.

Mary Skelding.

I would like to take this opportunity to thank all the friends who sent cards and messages of cheer during my lengthy stay in hospital, the neighbours who helped at the scene of the accident, the members of Club 35 and St. Stephen's Ladies Guild, and Mr. and Mrs. William Jaques and Mrs. Jean McLean who kindly took my wife to Toronto on two occasions to visit me. My thanks is also extended to the doctor who attended me in Minden, the staff of Minden Red Cross Hospital, and the Ambulance attendants, Mr. Jim Elder and Mr. Eldon Deacon.

Bill Watson,
Hall's Lake.

The family of the late George Poirier of Hall's Lake wish to extend sincere thanks to all the friends and neighbours who so kindly sent cards and gifts during his long illness, and who were so helpful at the time of his funeral. Grateful thanks is also extended to the Reverend Mr. Hutchison, to the staff of John Welch & Son, to the members of Club 35 and the Ladies Guild of St. Stephen's.

Christians throughout the world. Worship in these few weeks of Advent remind us that God, in His love, created mankind and all the universe. He continues to create and sustain all things. The season of Advent ends as we celebrate Christmas, God's greatest creative act.

Advent can be a season of thanksgiving in our church.

As God gives to man, so men acknowledge God's goodness as they make gifts to Him. Here, in the Anglican Parish of Haliburton, the first Sunday in Advent is a day on which many special gifts to the Church will be set aside, or dedicated, to the Glory of Almighty God. At Maple Lake, John and Elizabeth Harrison have placed new handrails on the steps outside the main entrance of Saint Peter's Church. At West Guilford, friends and family of the late Sid Sisson have placed the new Rector's prayer desk in Sid's memory. At Haliburton, Harold Douglas has given

the new lights in the nave and over the altar — these lights have been placed as a memorial to his mother, Eleanor Douglas. The new organ is to be dedicated to the memory of Harry Elstone, a former Churchwarden. Another parishioner has made possible the new sidewalk and walkway lighting. The people of the Parish are grateful for all these special gifts.

These gifts will be dedicated at church services on the first Sunday in Advent. Dedication, or blessing, means that these gifts are separated from all common use, and are set apart forever to assist men in their worship of Almighty God.

THE SECOND COMING OF CHRIST — Number 4

For what is Christ coming? Not to reign 1000 years.

(a) Christ is at this time reigning: "For he must reign, till he hath put all enemies under his feet. The last enemy that shall be destroyed is death." — I Corinthians 15:25,25.

1) Are not people still dying? Then death has not yet been destroyed therefore, Christ is still reigning. Christ must reign until all enemies are put under his feet and death is the last enemy.

(b) Revelation 20.
1) The teaching of the 1000 year reign comes from this highly figurative chapter. There are a number of things wrong with the taking of this one passage right in the middle of so many figurative things.

i) WHERE DOES THIS PASSAGE MENTION THE SECOND COMING OF CHRIST?
ii) One can read the Bible from Genesis to Revelation 19, and not once read about Christ coming again to set up an earthly kingdom. We can read where Jesus said, "My kingdom is NOT OF THIS WORLD."

iii) Millennialists are forced to accept other terms in the passage as being symbolic, such as: the angel, the key, the bottomless pit, and the great chain in his hand which are obviously symbols to represent the exercise of his power to restrict Satan and his forces. The 1,000 years must be understood as a figure for fullness or completeness.

iv) 1,000 years is often used in the Bible in a figurative way. a - Psa. 50:10: "The cattle on a THOUSAND hills" are said to belong to the Lord. Does the Lord own only those cattle on a LITERAL 1,000 hills, while the rest are not his?
b - II Peter 3:8: "One day with the Lord is a thousand years. There are others, but I think that these are enough to show that every time a thousand years are mentioned it is not always literal.

c - There are over twenty figures of speech in Rev. 19 and 20. Why take and single out the 1,000 years and literalize it while "spiritualizing" the rest.

James Hughett - Minister,
P.O. Box 458, Haliburton, Ont.

POPULAR CUSTOMS THAT DISPLEASE GOD — USE OF THE CROSS

Did you know that the cross actually has a pagan origin? The book "The Ancient Church" by clergyman W. D. Killen says, "From the most remote antiquity the cross was venerated in Egypt and Syria; it was held in equal honour by the Buddhists of the East . . . about the commencement of our era, the pagans were wont to make the sign of a cross upon the forehead in the celebration of some of their sacred mysteries." And further showing its connection with Babylonish religion, W. E. Vine in An Expository Dictionary of New Testament Words, says that the cross "had its origin in ancient Chaldea (Babylon), and was used as a symbol of the god Tammuz (being in the shape of the mystic Tau or T, the initial of his name)". But was not Jesus put to death on a two-beamed cross? The Bible indicates that he was not. At Acts 5:30 and 10:39, in both Catholic and Protestant Bible translations we are told

that Jesus died on a "tree". The word "tree" here translates the Greek word xylon or xulon. Concerning this word and the word stauros, translated "cross" in some versions, The Companion Bible says on page 186 in the "Appendixes", Homer (ancient Greek poet) uses the word stauros of an ordinary pole or stake, or a single piece of timber. And this is the meaning and usage of the word throughout the Greek classics. It never means two pieces of timber placed across one another at any angle, but always of one piece alone. Hence the use of the word xulon (or xylon, meaning a timber) in connection with the manner of our Lord's death . . . The evidence is thus complete, that the Lord was put to death upon an upright stake, and not on two pieces of timber placed at any angle. Showing how and when such use of the cross began among professed Christians, W. E. Vine, in his book, says, "By the middle of the third century A.D., the churches had either departed from or had (made a distorted imitation of) certain doctrines of the Christian faith. In order to increase the prestige of the apostate ecclesiastical system pagans were received into the churches apart from regeneration by faith, and were permitted largely to retain their pagan signs and symbols. Hence the Tau or T . . . with the cross piece lowered was adopted to stand for the cross of Christ." Vol. 1, page 256. It is not normal to cherish and adore the instrument used to murder someone we love. Who would think of kissing the revolver that had been used to murder a loved one or of wearing it around one's neck. This being so and the cross being proved to be a pagan religious symbol, are we going to continue to use it in our worship? Deut. 7:26.

Chamber Of Commerce Highlights

FROM THE DESK OF MARION ARNTFIELD

(Intended for Last Week)

The week before last week was devoted almost entirely to office work, in preparation for our 1973 Directory. This did not make for very exciting "news", thus no Chamber Highlights.

Last Thursday I attended a Publicity and Public Relations Committee meeting and on Friday a Management Committee meeting — both were fine meetings, and the results will be made known at our next regular Board of Directors meeting which, by the way, will be on November 28 in the Municipal Building in Minden, starting at 8:00 p.m. As always, members are most welcome to attend.

You may remember earlier in the year I made mention of the fact that a photographer would be coming into our area to take pictures — Mr. Reed from the Ministry of Industry and Tourism was here in August, and I understand the pictures he took are very lovely, and that if anyone wishes to borrow these slides this can be done. It is necessary to go to the office in Toronto, which is located at 185 Bloor St. East, view the slides in person and then make arrangements to borrow the ones you wish. There is no charge.

For members who have already returned their advertisements for the 1973 Directory, I say "thank you", and for those of you who have not as yet done this I would appreciate having your replies as soon as possible, for after the advertisements are all in there is much work to be done to get the

Directory ready for the printers. We are anxious to have the Directory out at an early date, for even now enquiries for 1973 are coming in!

The following is a most interesting report given to me by Mr. Parisotto, and it is a real pleasure to pass it on to you.

To: The Haliburton Highlands Chamber of Commerce
From: Richard Parisotto, Vice President.

"The Haliburton Highlands Property Owners' Council held their 12th Annual Meeting at Queen's Park, Toronto, on Thursday, November 2nd, 1972. Two representatives from the Chamber were guests at this function — Mr. Richard Parisotto, Vice President, and Mr. Art Ward, a Director.

Reports and discussions were held on various matters of interest, including water resources, a concerned investigation of the high water levels during the past year, education, taxation on property (a resolution calling for extensive reduction in education taxes on cottage property was passed), fish and wild life, and municipal affairs.

Probably the most extensive report submitted was again that of the Pollution Committee, headed by Mr. Dougald Patterson. In his report Mr. Patterson praised the efforts of our Chamber Pollution and Ecology Committee, under the chairmanship of Mr. Gerry Heywood.

The guest speaker was Mr. Claude Bennett, M.P.P., Minister without Portfolio in the Ontario Cabinet. Mr. Bennett has been connected with the Ministry of Treasury, Economics and Inter-Governmental Affairs, particularly in the municipal planning field. If Mr. Bennett's voice in the Cabinet is influential, his remarks indicate a new stringency in zoning, planning and building restrictions will no doubt be imposed in the County of Haliburton. Without question he further emphasized that Regional Government will be established throughout the whole Province of Ontario, including Haliburton, before this decade is ended.

The H.H.P.O.C. is still a fledgling group, but it is gathering strength and momentum each year and is quickly becoming an influential voice. In the opinion of this writer, the H.H.P.O.C. is governed by a dedicated and conscientious group of individuals who no doubt could improve the quality of life in Haliburton County with their lobby at Queen's Park."

Minutes Of Snowdon Twp. Council Meeting

The Regular Meeting of the Snowdon Township Council was held in November with the Reeve and all members of Council being present.

The minutes of the October meeting were read, and these were adopted on a motion by Ron Graham, seconded by Grace Simmons.

Moved by Ron Graham, seconded by Gene Newell, that the Clerk write to the Salerno Lake Cottagers' Association to inform them that a dump has been made and is ready for use on Lot 25, Concession 6, on the Irondale Road.

Moved by Geoff Wynne, seconded by Grace Simmons, that the Clerk write to the County Roads Department requesting that this township be informed of the standards required on the Irondale Road, prior to its assumption by the County Roads System.

Moved by Geoff Wynne, seconded by Gene Newell, that the Road Superintendent be authorized to employ casual labour to clean up the area surrounding the Lochlin Dump.

Moved by Geoff Wynne, seconded by Ron Graham, that we pay the Library rent to the Lochlin Community Centre in the amount of \$50.00.

Moved by Gene Newell, seconded by Ron Graham, that the General Account of \$11,940.10 and Welfare Account of \$214.10 be approved for payment.

Moved by Gene Newell, seconded by Geoff Wynne, that Road Voucher No. 10 in the amount of \$2,379.60 be approved for payment.

It was then moved by Geoff Wynne, seconded by Grace Simmons, that this meeting be adjourned until Wednesday, December 6, 1972, at 7:30 p.m.

West Guilford Community Centre Meeting Held

The meeting of the West Guilford Community Centre held on Wednesday, November 22, 1972, was opened by Mr. Prentice, the Chairman.

The minutes of the last meeting were read and it was moved by Ray Jenkins, seconded by Harry Hobden, that the minutes be adopted as read. Carried.

The name Ray Jacobs which appeared in the previous minutes should have been Ray Jenkins.

Dave Woodall from the Youth Committee reported that the children involved in the Saturday night Drop-In Centre would like to put on a variety show. Anyone with experience in this area would be most welcome to help organize this affair.

Moved by Jackie Barry, seconded by Harry Hobden, that the upstairs rooms be assigned a rental fee of \$20.00 for occasional use. Carried.

Moved by Harry Hobden, seconded by Jackie Barry, that the Building Committee organize a working bee to prepare the skating rink for use this winter. Carried.

The Fund Raising Committee reported that the card parties are having good turnouts and they would like to thank those who donated prizes.

The next meeting will be held on December 13 at 7:30 p.m.

Moved by Harry Hobden, seconded by Ken Sawyer, that the meeting be adjourned. Carried.

Annie Howe Passes Away

Haliburton lost one of its oldest and most respected citizens on Sunday, November 26, 1972, when Annie Esther Howe passed on to a greater reward. The deceased, who was in her 95th year, was the beloved wife of the late James Howe of Haliburton.

The late Mrs. Howe rested at the Lakeside Baptist Church in Haliburton where the funeral service was held on Tuesday, November 28, at 1:30 p.m. Interment was made in Evergreen Cemetery, Haliburton.

The sympathy of the community is extended to her family.

Election Day On December 4

This coming Monday, December 4, is election day and there will be an election held in every municipality in the County of Haliburton. There's practically a full slate in every municipality with the exception of Dysart et al where things are very quiet. The only Ward being contested is Ward II where Nancy O'Neil of Harcourt is challenging the incumbent, Lloyd Coneybeare. An election is also to be held for the Board of Education Trustees with five people in the running for the four seats. Ward II people will be the only persons with a vote for a Council member, with the remainder of the voters just being able to cast a ballot for School Trustees.

One thing that is really worrying us at this point is the fact that many voters may stay away from the polls. A large part of your tax dollar goes toward education and it is all important that we have a strong Board of Education. So we urge everyone to get out and exercise their franchise on Monday, December 4.

Snowmobile Club Being Organized At West Guilford

A group of snowmobile enthusiasts met at the West Guilford Community Centre on Tuesday, November 28, to organize a new snowmobile club for the area.

Roy Bates, President of the Haliburton County Snowmobile Association, and Pat Waddell, the Past President, addressed the gathering on the many advantages of snowmobiling within a group. Aside from the fun to be had, there are the intangibles: the policing effect that comes naturally with organization, the control of trespassing, and the resultant improvement in relationships with the general public.

A second meeting will be held at the same place on Tuesday, December 12, at which all snowmobilers of Eagle Lake, West Guilford, Stanhope and the vicinity are invited to attend. At this meeting it is intended that the organization will be named and some winter activities planned.

Chivalry Is Not Dead!

On Monday night two young men stopped their pickup truck and came to the aid of a local woman as she struggled to get her car parked in her driveway. They pushed and turned the car around so that the front end would be pointing in the right direction so that she could drive out straight and go to work on Tuesday morning.

The lady had just moved into town this fall, and we are happy to know that there are young folks in Haliburton who care enough to help a woman in distress.
